AN INTRODUCTION TO RMPS INTERNATIONAL SCHOOL

“Where Education is beyond learning”

ABOUT US:

RISING

Towards newer vistas of education in a safe and secure world class campus

MINDS

Endeavouring to ignite minds, stimulate thought processes & convert thoughts into actions

PURE

Education emphasizing on empowering Students; thereby, maintaining extraordinary standards in learning

SOULS

To be acknowledged as leaders of Excellence in International Education

RMPS INTERNATIONAL SCHOOL

RMPS International School - Where Education is beyond learning – was first launched as a pre-primarieschool “Flying Kids” on 5th April 2017, under the aegis of Adeshwar Educational Trust. The school had over 120 students in its first year itself.

RMPS is the brain child of four stalwarts –Mr. Mahavir Jain, Mr. Sachin Jain, Mr. Pikash Solanki and Mr. Rakesh Jain. The driving force behind this noble initiative was the belief in values like simplicity and perfection; while the honourable purpose was to integrate, nurture as well as promote the aforementioned values.

RMPS International School underwent an expansion in April 2018- accommodating a sprawling world-class campus and including additional classes, i.e. from Nursery level to Grade 12 (Science and Commerce stream) It is located in Ankleshwar, Gujarat. The RISING MINDS with PURE SOUL (RMPS) International School offers students countless opportunities to develop mentally, physically, emotionally, morally, culturally and socially; all through a diverse and challenging curriculum as well as a wide range of activities.

Our Noble Aims:

- Holistic development of each child
- Empowering young minds
- Maintaining extraordinary standards in learning

**A Child's First
School Experience is
Very Important In
Laying The Foundation
For A Lifetime of Learning.**

OUR VISION

"the Journey Of A Thousand Miles Begins With One Step."

RMPS will endow its students with unique and customised opportunities for education, growth and development – something not explored earlier in the Indian educational scenario.

RMPS understands that each student is unique. We believe in nurturing each child's growth through utmost dedication and love, but first by identifying and embracing their uniqueness and individuality.

Our vision is to encourage students to initiate their individual journeys towards success and personal accomplishments, by realising the value of each simple step undertaken by them and how it helps in shaping their future in education. We aspire to have experienced and exceptional faculty who believe in constant up gradation of their skill sets and are thoroughly professionally committed. We will carve a community that thrives on teamwork and individual excellence.

OUR MISSION

"Engage. Enlighten. Empower"

- To Nurture Young Minds With Holistic Education
- To Inculcate Values Like Honesty, Integrity, Loyalty, Patience And Compassion- Through Both Instruction And Participation
- To Promote Respect And Sensitivity For All People And Cultures.
- To Cultivate Entrepreneurial And Social Skills.
- To Be The Acknowledged Leaders of Excellence In International Education Across The Globe

RMPS VALUES THAT INSPIRE

R RESPECT

RMPS Respect your efforts, respect yourself. Self-respect leads to self-discipline/We respect the feelings, relationship and rights of our community in all way that we do.

P PASSION

RMPS develops a passion for life-long learning. When we open our minds to eternal exploring and knowing, we never cease growing.

M MORALITY

Morality is not the doctrine of how we may make ourselves happy, but how we may make ourselves worthy of happiness/ The moral landscape is the framework I use for thinking about questions of morality and educational values in universal terms.

S STEWARDSHIP

Conducting, supervising, or managing of something; especially: the careful and responsible management of something entrusted to one's care.

OUR SPECIAL FACILITIES

RMPS takes pride in introducing Ultra-modern Teaching Methods as follow:

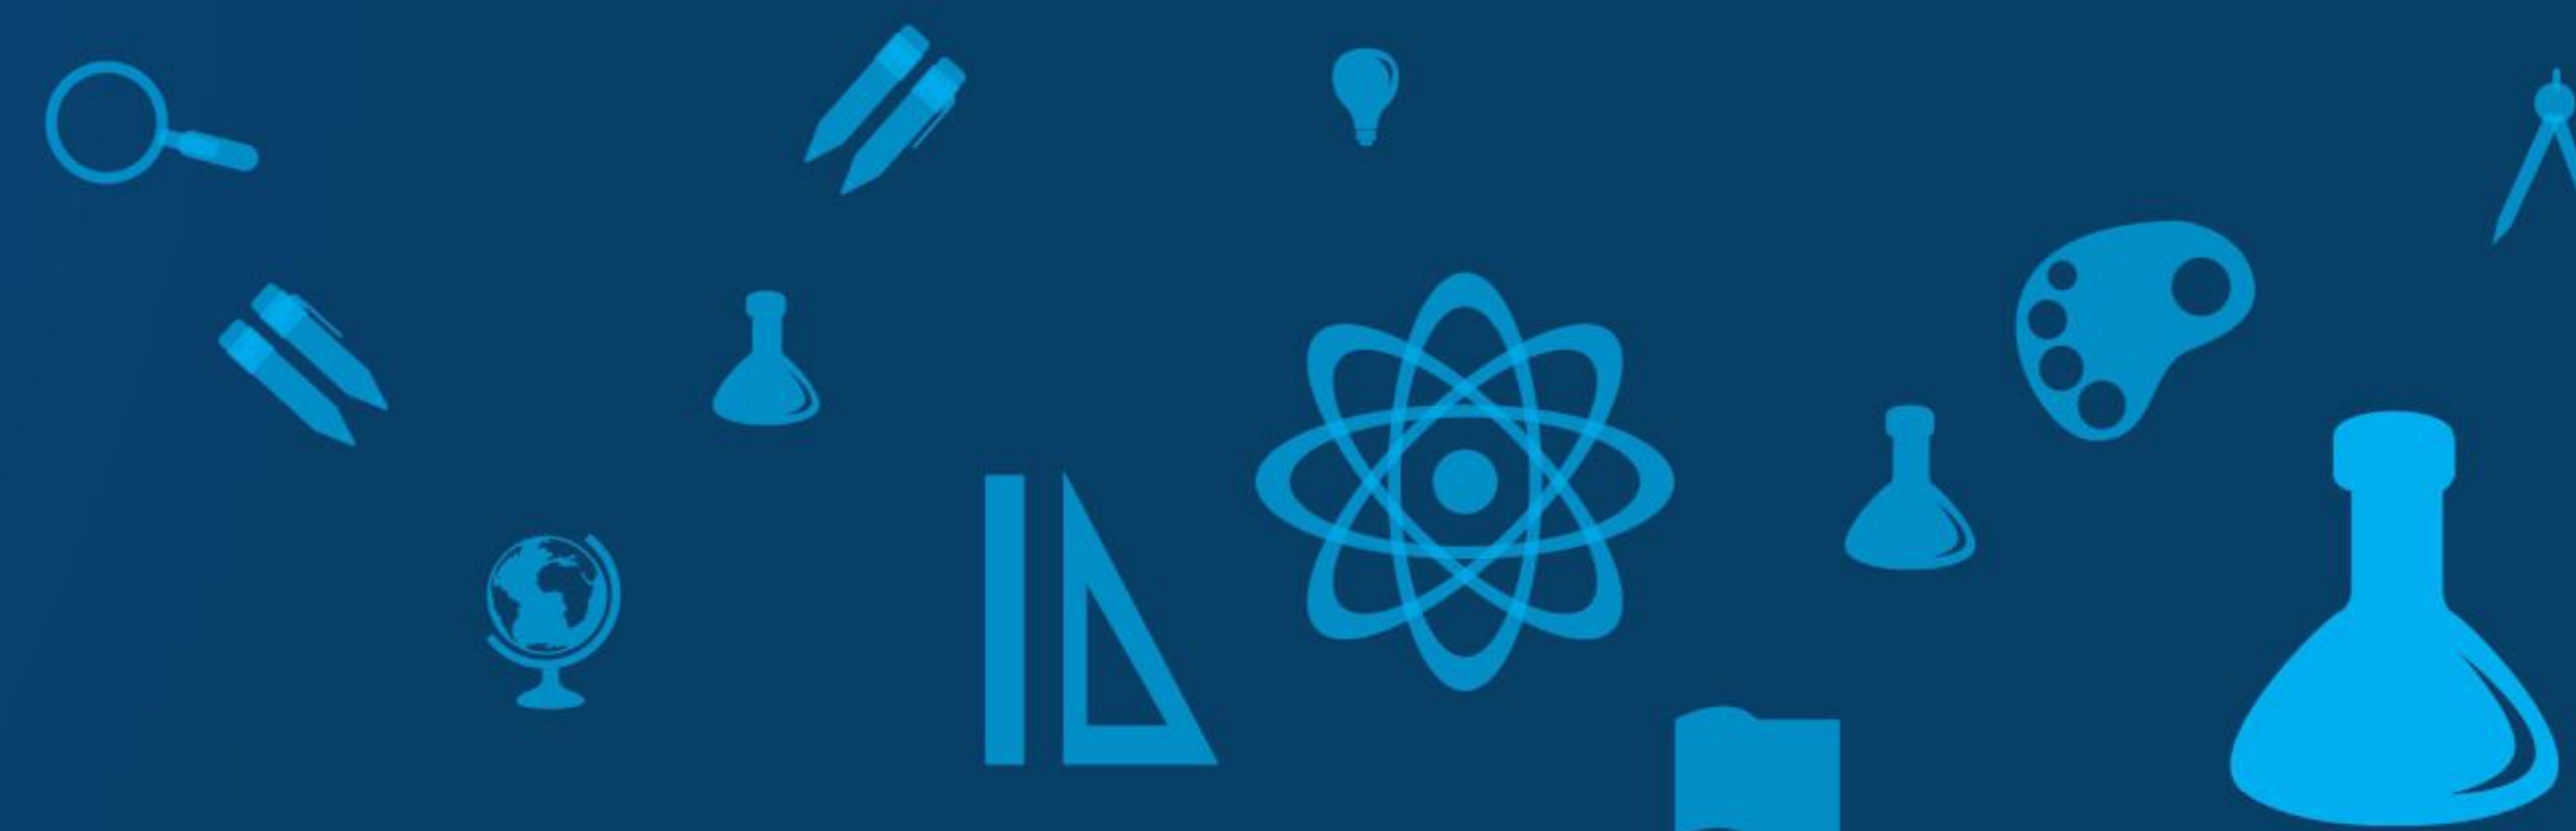

- **INTERACTIVE INTELLIGENT PANEL (E- Education)**
“Empower teachers and students with the latest in interactive display technology”
An Interactive touchscreen
 - Effortless free handwriting & Erasing
 - Auto detect touch gesture- Single figure for write and multi figure for erase
 - Tools for drawing line, 2D and 3D shapes
 - Mathamatical formula recognition, Periodic table, Chemistry lab instruments
 - Run any android interactive educational content

- **STEM (SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS) LAB**

Exposing the students to **STEM** and giving them opportunities to explore **STEM**-related concepts, we help them develop a passion for it, which in turn will help them build their future careers in the field of Engineering & Technology.

- **ICT (INFORMATION AND COMMUNICATION TECHNOLOGY) LABS**

ICT has given wings to empower the use of technology related activities in the world of education

- **LANGUAGE LAB**

In the entertaining and interactive ambience of the lab, the students will get to hone the **FOUR** main language skills: **Listening, Speaking, Reading,** and **Writing.**

- **DISCOVERY LAB (FOR SOCIAL STUDIES)**

It functions as a workshop for finding out practical solutions to problems related to each and every topic of social studies.

- **DIGITAL LEARNING RESOURCE CENTRE (LIBRARY)**

The LRC provides

1. An extensive range of books, novels, reference books, news papers, current affairs magazines, periodicals, educational CDs, audio books, computer work stations, printer and a Photocopier.
2. Kindles to inculcate the habit of learning.

WELL-EQUIPPED DIGITAL LABS

SPORTS HUB WITH AMPLE PLAY AREA

- Large Playground for all range of **Outdoor games** like Football, Cricket , Basketball, Badminton courts, Skating Ring, Tennis court
- **Running track** for Athletics. A well paved, permanent Running Track has been specially constructed within the campus, to meet all sporting requirements.
- Provision for a variety of **Indoor games** like Chess, Ludo, Table Tennis, Air Hockey, Soccer and others

A PANORAMIC AMPHITHEATRE

The Amphitheatre was built to provide the best platform for our students for showcasing their skills in Acting, Directing and Editing.

AUDITORIUM /AV ROOM

The campus has a huge auditorium with screen and projectors and a seating capacity for almost 205 people. The grand purpose was to showcase films, scientific demonstrations etc, which in turn would complement all types of learning and boost general awareness among students

ART AND CRAFT ROOMS

An Arts & Crafts Room has been designed with the primary purpose of providing students with a space where they can feel free to experiment, make mistakes, discover new ways of thinking as well as develop their aesthetic sense, imagination and creativity.

DANCE ROOMS

A spacious dance room fitted with a superior quality sound system has been built in the campus.

MUSIC ROOMS

The music room equipped with a variety of western as well as Indian instruments like guitar, drums etc. and a good acoustic system, was constructed .

DINING HALL WITH KITCHEN

The tiny tots are provided with Bournvita/juice along with nutritious and healthy breakfast. The primary grade Kids are served fresh, wholesome breakfast and lunch- all under the recommendations of the dietary council. All food is prepared under strict supervision and adheres to set standards of hygiene and nutrition.

WELLNESS CENTRE

IT PROVIDES THE FOLLOWING SERVICES

- Monthly check-up by qualified doctors.
- Doctors' panel to educate kids.
- Counselling to guide the habits of each kid.

Meditation Room:

Our **Meditation & Yoga** room provides a perfect ambience of serenity, free from all distractions, to help our students calm their minds and connect with themselves.

Transport:

RMPS is an ardent advocate of the Student centric policies laid down by the CBSE board. We have ensured safe and monitored commuting of school kids by providing Buses and Vans equipped with GPS system.

NOTE : RAMP and Lift for specially-abled children

SCHOOL SECURITY:

Security guards will be available 24x7 in the school campus. School is under 24x7 CCTV surveillance.

SPECIAL ARRANGEMENTS FOR TINY KIDS:

SPLASH POOL

Playing in water helps children develop Balance and Strength, Coordination, Communication and Social Skills.

GYM:

We hold gym sessions regularly to bolster the physical fitness of our children. Kids who are physically fit are more alert and receptive to learning. Our school gymnasium is fully equipped with treadmills, exercise cycles and sand pits.

TOY ROOM

Toys and games are more than just a source of fun for kids. There are varieties of fun and educational toys available - from simple alphabetical puzzles to high-tech electronic gadgets that encourage and complement all types of pre-school learning and help in skill development in children.

HOUSE SYSTEMS:

All the RPMS students from Grade 1 to 12 belong to one of the 4 houses -- River Stone, Mountain Head, Pole Star, Sun Riser. The House System enables healthy participation of students in various extracurricular activities and inculcates a spirit of healthy competition. The students have to wear their respective House uniform on Wednesday.

CURRICULUM:

CBSE curriculum will be followed.

DURATION OF ANNUAL SESSIONS

The school year /session starts in April and ends in March.

ACADEMICS:

As per the new CBSE Norms and International Standards

There are mainly four levels in academics of a child .These are Pre-primary ,Primary ,Secondary and Higher Secondary. With this in mind we identified 4 key 'RMPS Learning Skills' with their respective level. Pre-Primary will be identified as RISERS, Primary as MOVERS, Secondary as PACERS and Higher secondary as SOLDIERS. Further each level will contain 4 specific individual RMPS elements i.e. RUBY, MORIAN, PEARL, and SAPPHIRE

ASSESSMENT

PRE- PRIMARY:

- No formal Examination.
- Assessment is continuous and comprehensive.
- There will be 2 terms and students will be assessed at the end of each term.
TERM 1-----April to Sept.
TERM 2-----Oct to March.
- Children will be graded on scholastic and co-scholastic areas.

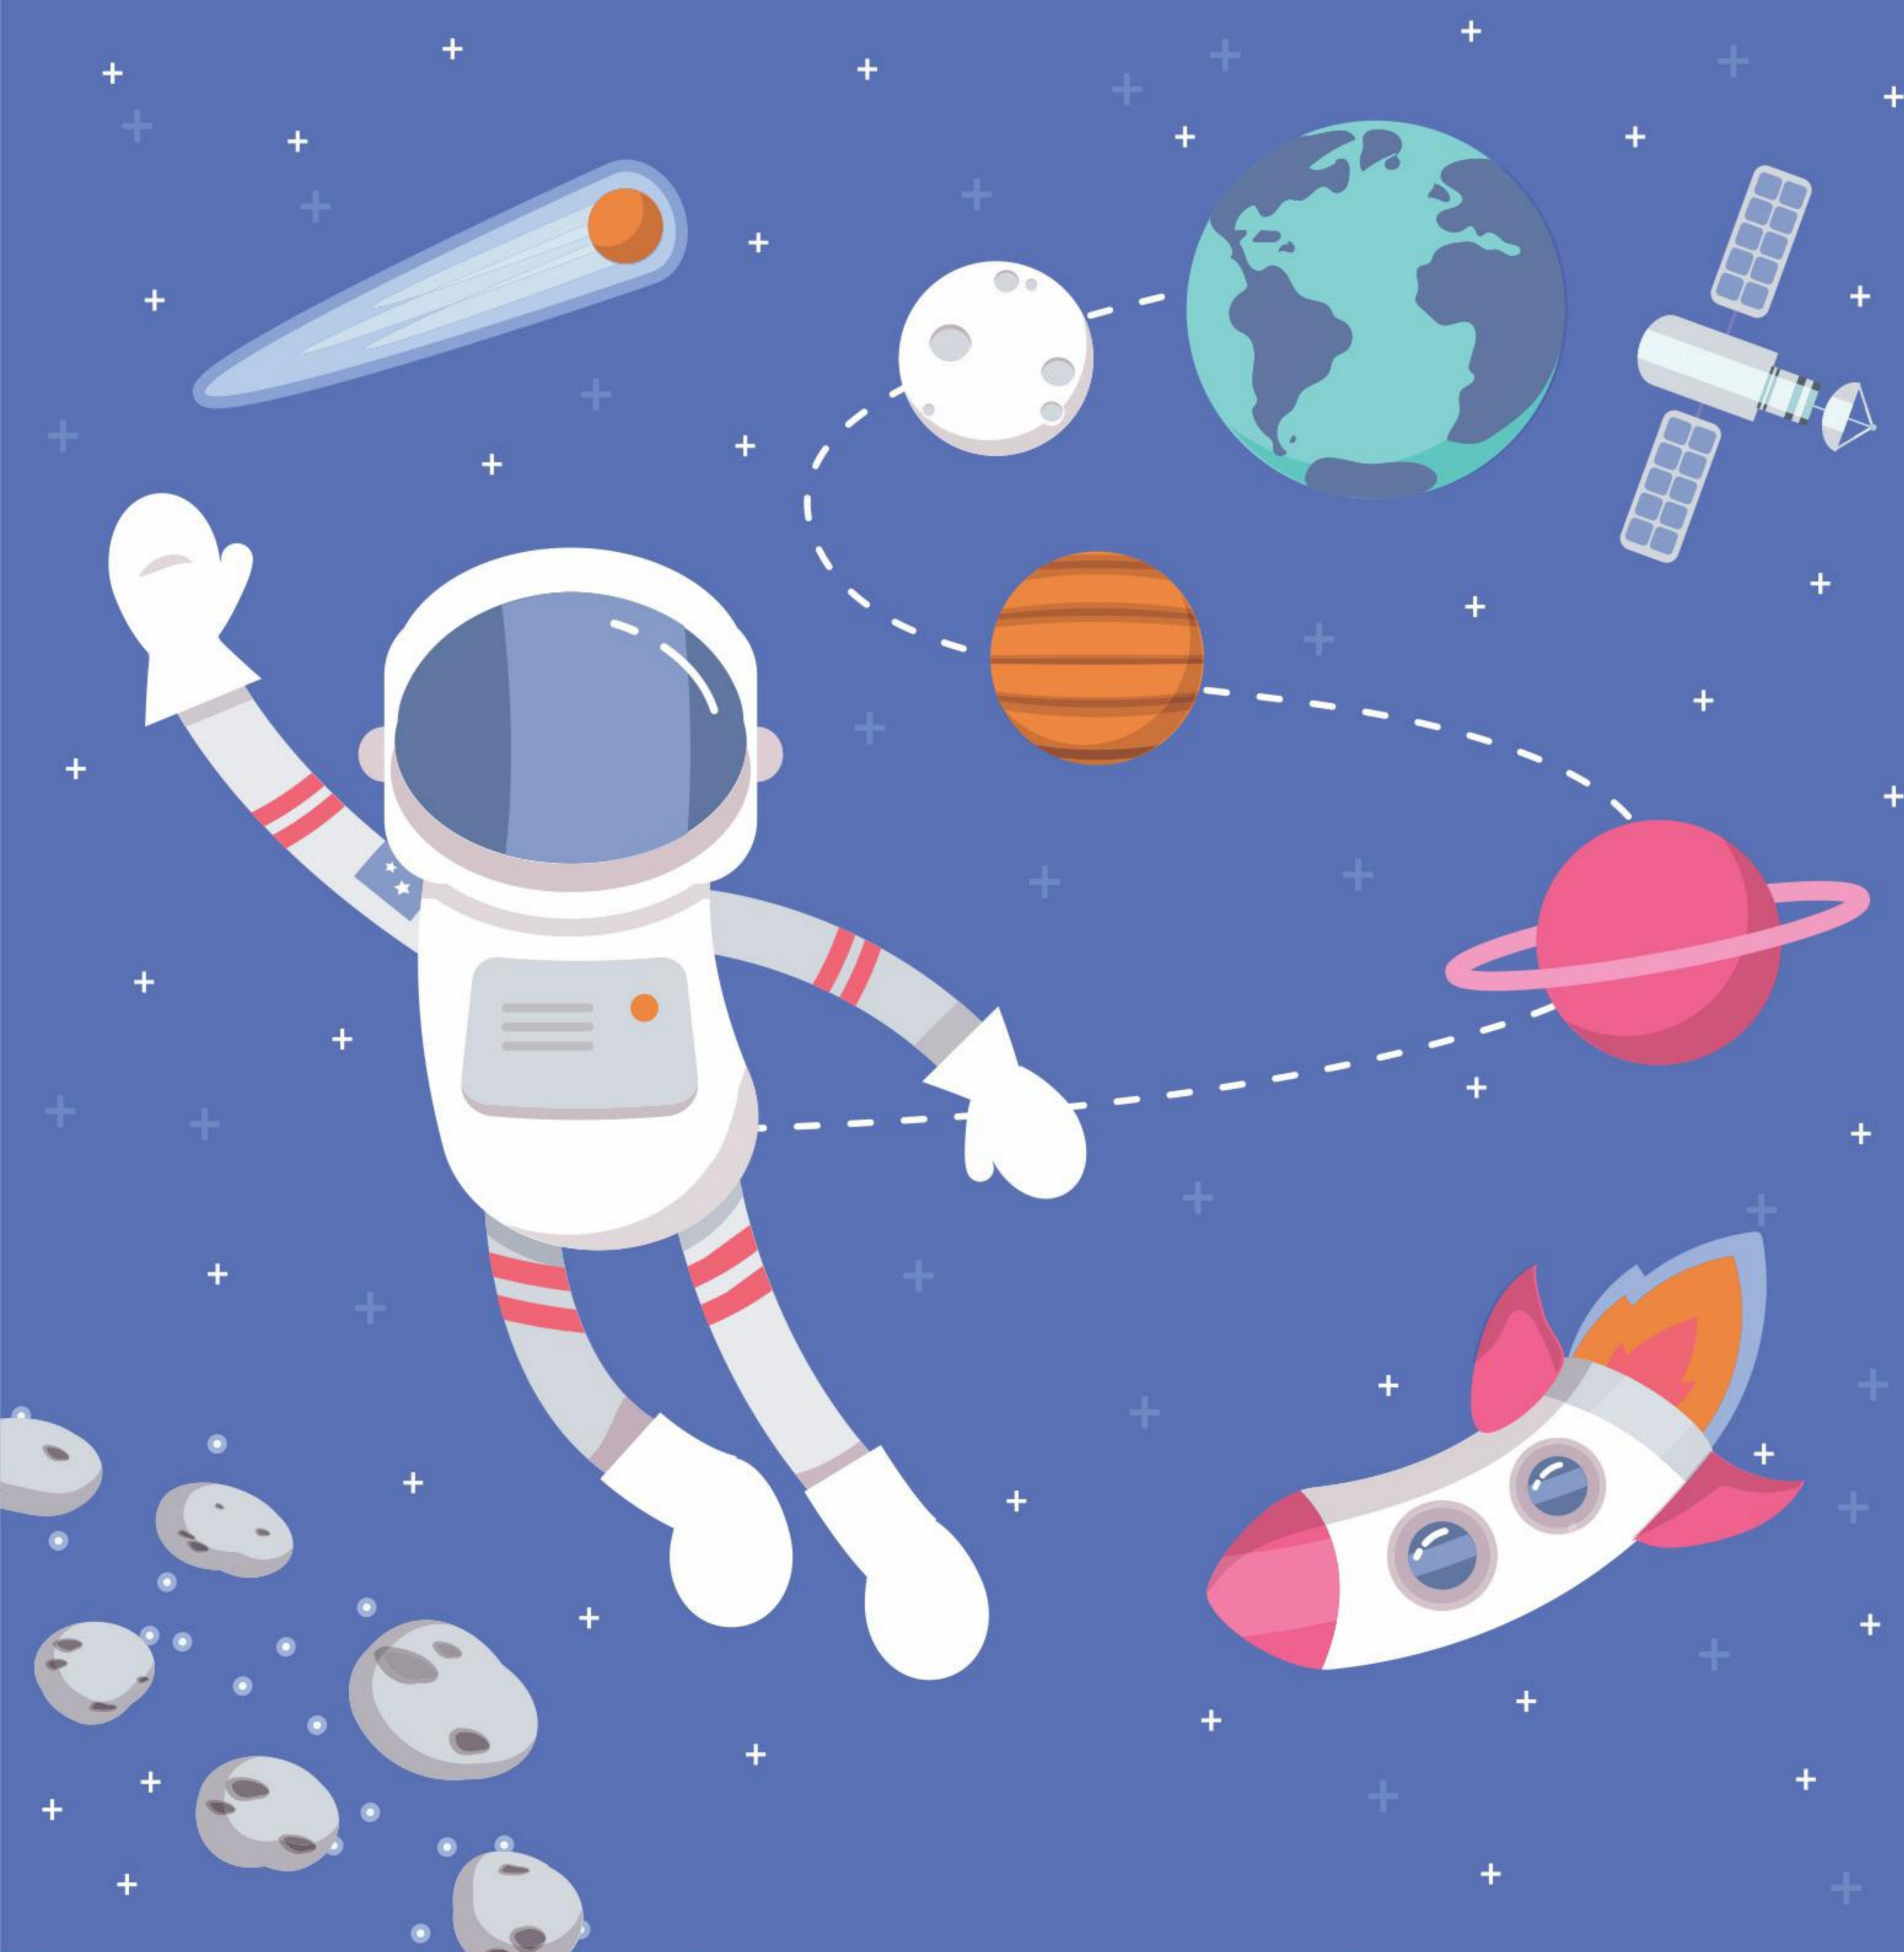

PRIMARY LEVEL:

- GRADE I to IV Weekly Assessment (**No Examination**)
 - Term 1----Apr. to sept
 - Term 2----Oct to march.
 - Continuous and comprehensive assessment

GRADE V to VII :

- As per CBSE guideline, there will be 2 periodic assessment and 2 Terminal examinations
- Assessment will cover both scholastic and co-scholastic aspects.
- There will be 2 time periodic examination **Through Online**
- Half yearly and Annual Examination will be held as per the given schedule & is **Hand Written.**
- Hand Written & Online goes on during the term, based on Wednesday activities like, Projects, Quizzes, Field Trips, Practicals, Debates etc. It refers to a system of school based evaluation of students that covers all aspects of student's Development.

“BRINGING EDUCATION TO LIFE & LIFE TO EDUCATION”

HOBBY CLUBS

The students will become members of and participate in the activities of a number of hobby clubs which cover a wide range of interests, such as debates and elocutions, quizzing, drama, music etc. Each child has to be a member of at least TWO clubs ONE for indoor activity and ONE for outdoor sports or games (football or basketball)

SWACHHATA CLUB : “Swachh Bharat , Swachh Vidyalaya.”

The school has set up the Swachh Club. Members are from each class and the membership is rotated. The members look after the cleanliness and the hygiene of the entire institution including the classrooms, premises and also surroundings. Voluntary Cleanliness Campaigns in the locality will be undertaken by the children.

DRAMATICS CLUB:

The young members of this club get to engage the creative side of their brains intensively. Dramatics provides the children various opportunities to celebrate the richness and depth of human expression in all its forms; while also developing their general cognitive abilities along with facial expressions.

ASTRONOMY CLUB:

The Objective of the club is to provide an ideal platform for students interested in space, knowledge of galaxies, constellations etc. The club has regular sessions, evening sky observations followed by night camps and extensive discussions on various aspects of astronomy.

PHOTOGRAPHY CLUB:

The purpose of this club is to demonstrate the very best photography techniques from start to finish so that one can experience the whole shoot live and have one's questions answered. As well as the live shoots the student's will host a live photography talk show to discuss the latest trend & topics

PERSONALITY GROOMING CLUB:

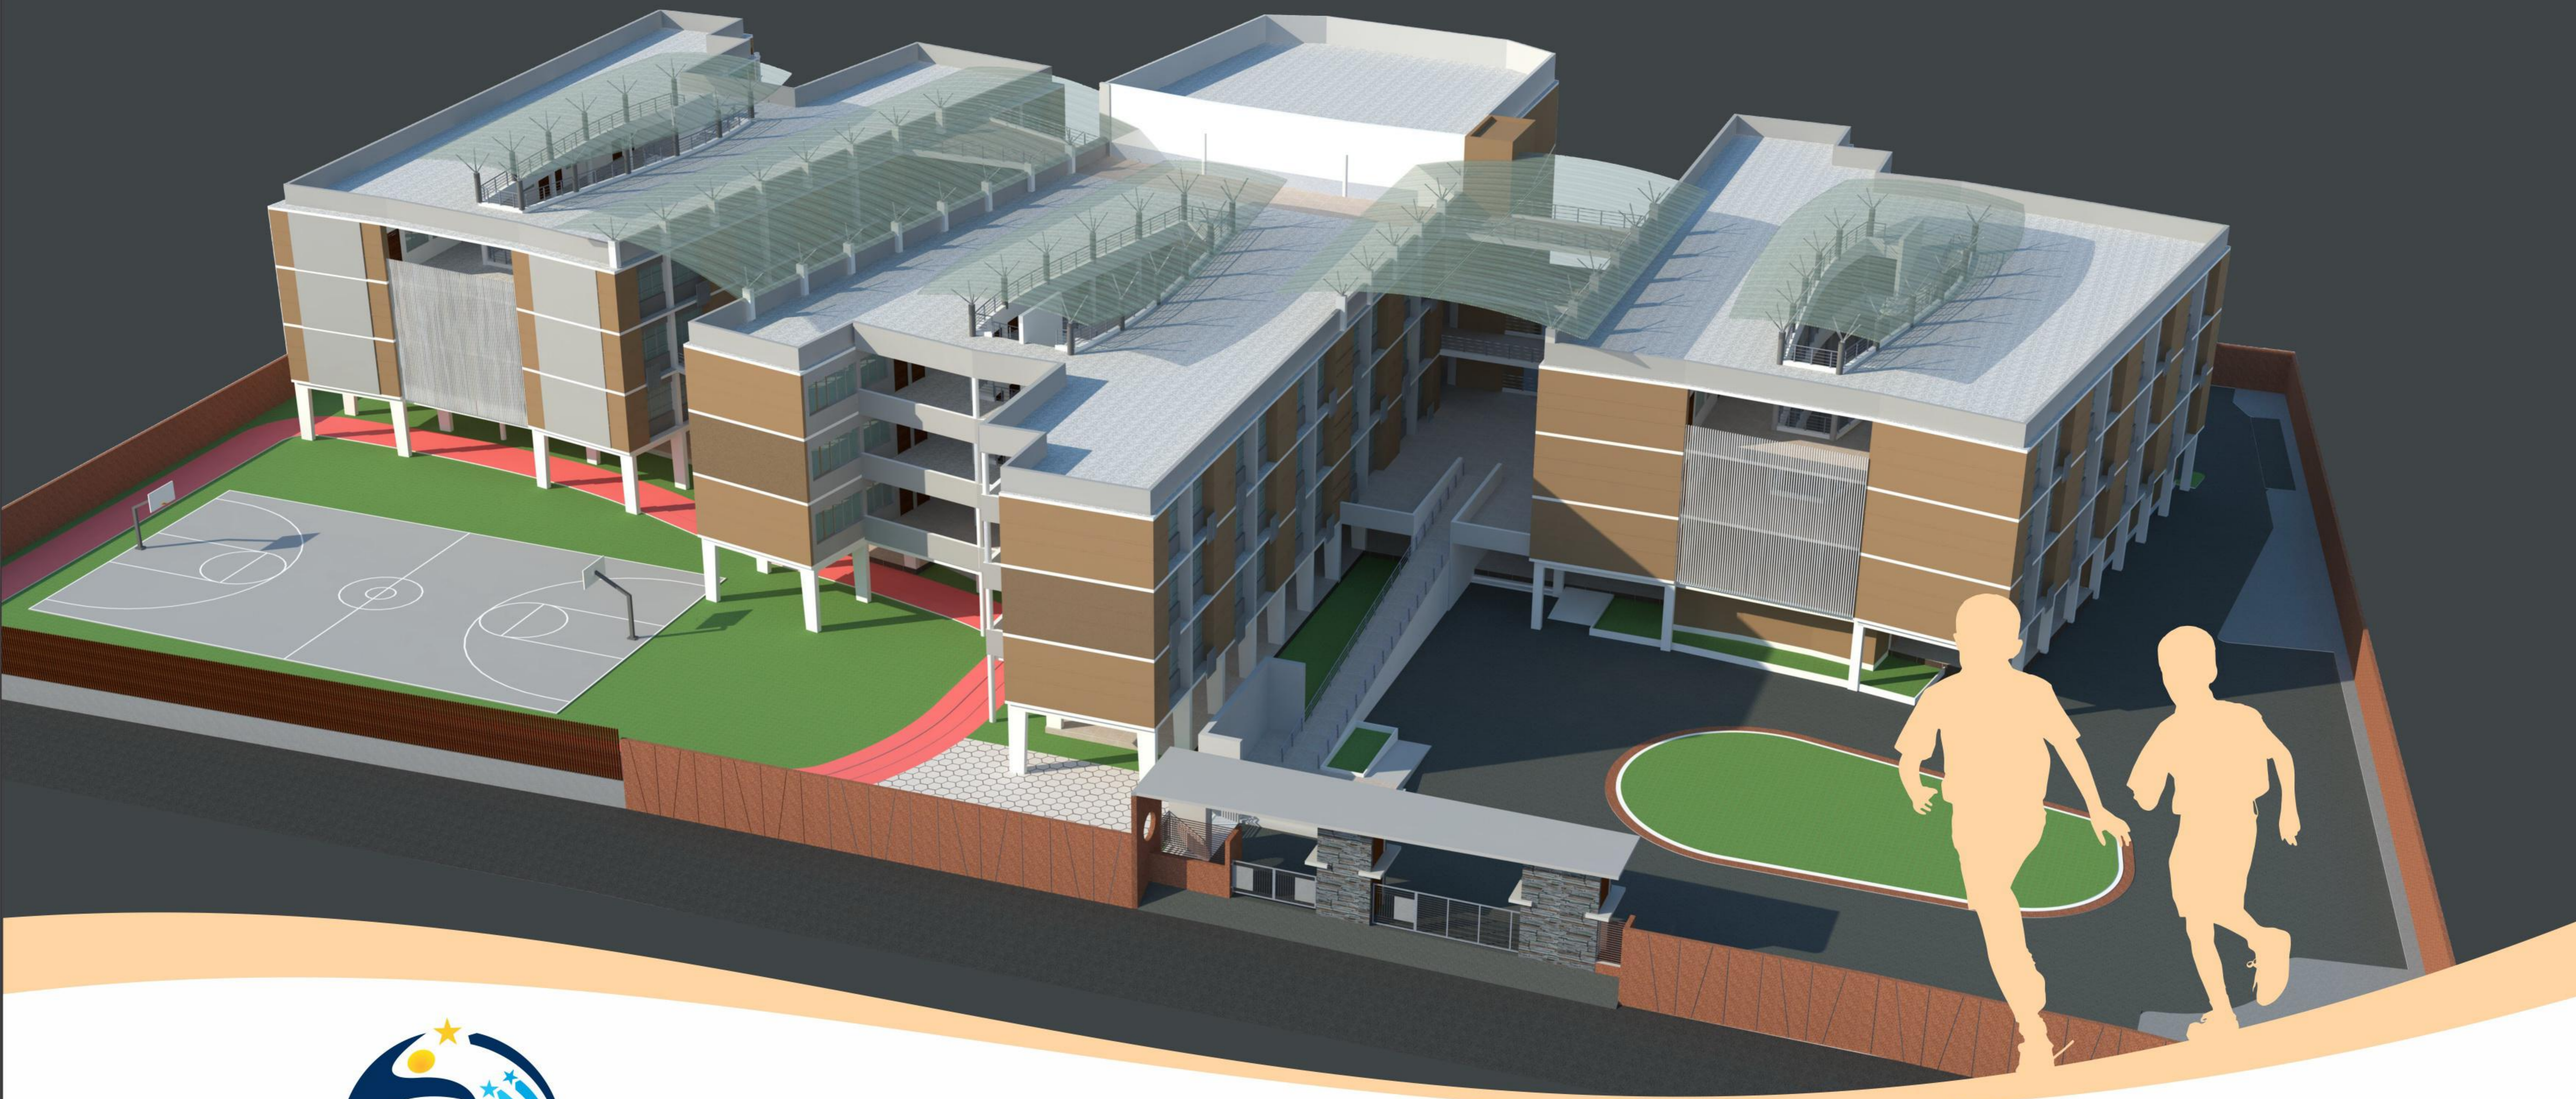

The most important step towards grooming your personality is believe in yourself, to trust one's capabilities, talents and skills. We need to have faith in what we do. Adopt a “Yes, I can do it!” attitude and the journey to one's destination will be smoother. Churchill rightly said, “Attitude is a little thing that makes a big difference.”
